

Fort Gordon Fisher House

Statistics Report FY19 (Oct18-Sep19)

Description

Fisher Houses are comfortably furnished homes built by the Fisher House Foundation and donated to the Military Services and VA's.

The Fort Gordon Fisher House is a home away from home where military families of patients at Eisenhower Army Medical Center can stay during their family's medical crisis. Providing a place where families can relax, unwind and provide emotional support to each other during a time of need, and escape from the tensions of the hospital environment.

The Fort Gordon Fisher House has seven rooms.

House features include a large dining room, living room, kitchen, laundry room and a computer room.

Donations / Support / Volunteers

♥Charitable contributions/donations are an important source of funding for Army Fisher Houses.

♥The Combined Federal Campaign as well as Volunteer groups. Spouses clubs, Family support groups, Civic/Military organizations, and individuals provide needed support.

♥Contributions/donations can be made directly to the local Fisher House, the Army Fisher House Program or the Fisher House Foundation.

♥Volunteers enhance its daily operations. Volunteers have provided meals, household items, rides, visits and etc.
